Donation Form

Dear Friend of Stepping Stones,

You are receiving this request for a donation to help support Stepping Stones Therapeutic Riding, Inc. Stepping Stones is a nonprofit therapeutic horseback riding program that has served southeast Michigan and northern Ohio for over thirty years. Our purpose is to provide therapeutic equine activities to individuals with physical, mental, or emotional disabilities and/or handicaps. Due to the global pandemic, we had to temporarily put our program on pause for the safety of our riders and volunteers. During this closure, we have found a new facility and a new instructor to continue to serve the community.

To enable this program to continue the therapeutic work in our communities, we are presently seeking donations. Currently our program is hurting financially because of the temporary closures. We have not been able to hold our riding sessions, our annual steak dinner fundraiser, and our annual holiday auction in the last few years. The steak dinner and the holiday auction are our main sources of funding. The funding we receive goes towards the care of our horses and the maintain the program as a whole.

Our annual goal for fundraising is to raise \$80,000.00. We are aware that this will take great generosity on the part of businesses and individuals to achieve this goal. *The need is as great as ever now to maintain our PATH International standards for a therapeutic riding facility while also working hard to take care for our riders and horses.*

We thank you for your time and this opportunity to seek your participation in this growing program. Your support will help us continue to grow and promote the therapeutic horseback riding for individuals in a friendly and family-oriented program. Please do not hesitate to contact us with any questions for additional information.

Sincerely,

Stepping Stones Therapeutic Riding, Inc Board of Directors
